**“Look Back with Pride and
Forward with Confidence”**

Welcome to

Himayam

"We look forward to meet you in person, but in the meantime we hope that this prospectus provides a taste of the vibrant school community."

The Himayam – An Introduction

'The Himayam' prides itself on the quality of its educational programmes, the professionalism of its staff, the enthusiasm of its students and the high level of support provided by parents and community members.

Located at Periyakovilambakkam, Chennai, 'Himayam Matriculation Higher Secondary School', working under 'Satvaj Educational Trust' was established by our Late founder, Er. T.Jegan, who had a strong desire for the upliftment and welfare of the Society. Since opening in 1999, our school adheres to the motto of "Ensuring a bright future" and provides a quality, holistic education.

We have created a culture and ethos that is built upon good values as it is important that, alongside academic excellence, our students grow as confident individuals and responsible citizens. We place great emphasis on ensuring the values of tolerance, respect, trust, honesty, kindness and hard work, and are fostered and expressed by all associated with the school. Students are taught how to behave positively, particularly when it comes in meeting the needs of others.

Mission

The aim of Himayam Matriculation Higher Secondary School is to educate the students with high knowledge, good personal skills, communication skills, good discipline, manners and morality that would make them holistic human being; emotionally stable; intellectually vibrant; spiritually enlightened and socially committed and would help them to lead a confident successful life in this competitive world. Supreme priority is given to the development of rational potential within each pupil and they are steered till they get into a profession to lead a quasi-comfortable life which is the special feature of our school.

Principal's message

Dear Prospective Parents,

We are delighted that you are considering 'The Himayam School' for your child's future. This institution has honed and fine-tuned a learning and life-skilling system that has been envied and benchmarked for decades.

An investment made in Himayam School education pays many dividends through life. Irrespective of his background or calibre, every child is nurtured in a way that he/she can stride into the adult world, confidently, responsibly and independently. Multiple generations of successful students are living proof that this unique learning system works, and works well.

We want our students not only to benefit themselves from Himayam education but also to add value to the lives of their parents. Here at 'The Himayam School', we believe that, all children have a desire to be successful at something and respond positively when this is recognised. As a school we realise how important it is to recognise the achievements of young people in as many different ways as possible. It is important that our students feel that, their positive involvement in school life is valued and appreciated.

Himayam's mission is made possible by a team of highly committed teaching and non-teaching staff. We enable each student to complete their schooling with enormous enthusiasm, unfailing confidence and high self-esteem and a readiness to meet new challenges. Together we work with the children as they grow towards becoming responsible members of the community. We look forward to work with you as partners in your child's education.

Wishing you all the very best..

Principal

Himayam Mat.Hr. Sec. School

WHY

HIMAYAM

Our Success Story

'The Himayam school' has achieved excellent results in the Secondary School Leaving Certificate (SSLC) examinations. For the past consecutive years, we achieved 100 per cent pass results and several students scored centum in various subjects. We attribute this success to the efforts put in by the students, parents and teachers.

Excellent Results all the Way...

Awards & Scholarships

Student behaviour, which 'demonstrates the highest standards, in all respects, at all times' and which supports our charter is recognised through our rewards system, where students can earn privileges and gain recognition.

"We aim to celebrate and recognise our students' successes and focus upon rewarding our students' achievements."

Every year in the month of January, students excelling in academics and co-curricular activities are awarded merit certificates during the annual prize distribution.

Jegan Memorial Award

This scholarship has been awarded by the Management to encourage the academically outstanding students.

School Curriculum

The school offers a broad-based curriculum that includes academics, sports, creative arts, yoga and other activities.

The curriculum seeks to prepare every child to understand his/her unique abilities, to define goals which are both idealistic and obtainable, and to achieve them. The academic syllabus of the school is as finalized by the Govt. Of Tamil Nadu.

"They take with them the skills, understanding, qualities and attitudes necessary to meet the demands of a rapidly changing world."

Support for Learning

Care and support for each individual student is central to our ethos. 'The Himayam School' offers support for students diagnosed with special learning needs or who would benefit from additional help. The degree of support varies according to individual students' needs. Prospective parents are strongly encouraged to discuss any issues that they may have with the school before admission.

We take great pride in serving the needs of our students and are dedicated to each and every one of them making outstanding progress. To this end we undertake a significant commitment and interest in them as individuals so that we can meet most effectively their specific needs.

Classrooms And Specialised Teaching Areas

Every subject has specialist accommodation and access to excellent computer hardware and software. There are fully equipped laboratories and workshops for those subjects demanding specialist equipments.

Safe Guarding and Child Protection

The health, safety and well-being of every child are our paramount concern at all times. We have a clear Safeguarding and Child Protection policy in place at 'The Himayam', which all staff follow effectively.

If a child becomes ill or is injured in any way he/ she is taken to the First Aid Officer in the Health Care Room. It is likely that the problem can be dealt with in school, but if not, the parents will be contacted and, if necessary, arrangements will be made for the child to receive medical help, including treatment at hospital.

Attendance And Punctuality

It is very important that students should attend the school regularly and arrive on time, for time missed from school may have serious educational consequences. If, for any unfortunate reason, students are unable to attend the school, we must have a phone call to the class teacher on every day of absence, followed by a letter on their return to school.

Faculty Development and Training

By creating time in our weekly schedule and space in our Training Centre, we have the foundation from which we develop our excellent team of faculty.

Our Department of Training ensures that, our faculty is constantly engaged in professional betterment, not only in subject and curriculum fields but also in first aid, lifesaving, coaching, duty of care, differentiation, and anything that is brought up as a development need by colleagues.

As a community of learners, we share what we learn with each other and think across our academic departments about how we can put our learning into practice.

KG Activities

We adopt activity method of training in which, the students participate rigorously and bring out efficient learning experiences. This child centered approach helps to maintain student concentration and deepens learning towards the higher level skills like critical thinking.

Events and programmes to boost students' morale

Celebrating events and festivals in schools have become an integral part of learning and building a strong cultural belief in a child. The school encourages the students to develop their genuine interests and talents by getting involved in different events. By participating in these events, students will be able to discover their interests, enjoy learning more about the activities and, at the same time, they will make friends and have fun.

Be a Part of Our Family

Admission Procedure

For L.K.G

Children who have completed 3 years and more as on 31st July are eligible for admission in L.K.G. 'First come, First served' basis will be followed.

For Higher Classes

Admission is given to the higher classes depending on the availability of seats which will be decided at the time of admission. An assessment will be made to analyze the potential of student and if needed, Special Training will be provided for improving the student before he/she enters the next class.

For Higher Secondary Classes

Admission to the higher secondary class is also based on the availability of seats and on a 'First come, First served' basis. The application form will be available after the declaration of SSLC results. It can be obtained in person from the school office.
